ON PAGE FOUR OF THIS ISSUE.

THE SERVICEMAN'S CORNER:

Hello, fellows. We have a little surprise for you this week. The very first letter you read in this column today will be a letter from a KOREAN to Jimmy Wright's mother! She very kindly sent it down to the Byline, so that we could print it for you:

Somewhere in Korea
28 August 1951

Great mother of American:

For peace in the world you send your son the other country, I think sur thank you very much truth.

Of course we are shed one's blood for one's fatherland. Don't far victory and you are get with an easy mind. I think sur of course that must be defeated aggression a country.

And I heard your family may concern well from my frind Mr. Jimmy, and I wrote for this latter. I worked with Mr. Jimmy same place evry day, I am a Korean Lee Eung Chong Special Service Officer Typist how do you do, how do you life in this summer, and the other boys very well.

Mr. Jimmy is life in this a good good for the health, and his receive a truth in this command, of course a good boy Mr. Jimmy is live at one's present time.

Please you may make yourself easy. I have hope only to you.

1. Giving great mother in the world.
2. Giving great mother for peace in the world.
3. I stopd this letter for study lesson, and I give to you write I landscape in the Korean next time, good by my great mother, Great mother and great a patriot.

LEE EUNG CHONG--Korea
Special Service Officer
Typist.

Well, fellows---I'm pretty sure you can interpret the above. It's one Korean's version of what it means to them to have our boys over there---and it's this particular Korean's expression of gratitude to an American Mother for sending her boy over there to help out. 'Nuff said!!

Keesler--Biloxi, Miss.
29 Aug. '51-(1430 hrs)

Dear Reeces:

It has been a long time, so I'll try to give you a run-down on my progress here. I'm now in the 10th week of the 21 week course. We'll have quite a time over Labor Day weekend--as a bunch of us are going into New Orleans Saturday noon, and don't have to report back to school formation at 1730 hours on Tuesday. It comes at a good time, too---right after payday! I'll try to send you a souvenir of New Orleans for your office window.

I understand that Manse (Roland) is joining the A.F. When is he going? Orrhas he already gone? I'd like his address so

we can keep in touch with each other. Maybe he could use some 'cheering up' when he hits basic.

I know you like suggestions, so here's one: Could you include a few items about some of the kids there at home, so that us poor souls so far from home would know what's going on? I know it would be rather difficult, due to the fact that most people who buy the paper there wouldn't be interested in such items, but would you try to work something out?

That's about all for this time. Keep those Bylines coming, and I'll try to send some pictures as soon as possible. Thanks again---

BOB MINK.

Dear Bob: Thanks a million for your letter and for the suggestion. Yes, I certainly will try to get a gossip-column on the young folks into the pages of the Byline. I did have such a column last spring--but my main trouble seems to be in getting someone to write it. I certainly can't attend these teen-age affairs (now--if I were ten or fifteen years younger!--) and most of the kids seem to busy these days to pin down for a regular column. If someone here would like journalism experience--PLEASE get in touch with us, and we'll show you how to write such a column. Who knows---you may end up as a junior Luella Parsons or something! To get back to you, Bob---the trouble with most teen-age writers is that they get sore if you take the stuff out of their columns which THEY think is the interesting stuff---but being a mere "News-letter" the Byline can't print quite a list of things---all taboo to a non-syndicate paper. I still think there's enough going on amongst the younger set which would interest you Servicemen--and which the older readers would find interesting, too. We'll see what we can do--and that's a promise! I don't suppose you guys are interested in who steps out on who--but you would like to know who went to a party last night---and who is engaged to whom, and so forth?

In regards to Mansell Roland, we haven't heard from him yet. He left here a couple of weeks ago, for Lackland Field in Texas. He promised to send his address as soon as possible, and when we get it, will forward it to you. That's also a promise!

Herb Gagnier leaves this week for Camp Stoneman, where he will get further orders. He believes he is headed for either Japan or Korea. Johnny Coryell, our latest Purple Heart, is now home on leave---before he re-inlists in the Marine Corps. Johnny spent 28 months over there in Japan and Korea---so after re-inlistment, he will probably be stationed at San Diego for awhile. Eddie Baron is still waiting further orders--while at Mare Island Naval Hospital---that trick knee, you know. Mickey Hunter left here for Idaho for a three-weeks visit with folks. That's all for now. ---YE EDITOR

BRISBANE SCHOOL OPENS TUESDAY:

Brisbane's Elementary School will open for the Fall term on Tuesday morning, Sept. 11th---with several new teachers making their appearance on that day. One of the new teachers is a "returnee"--having taught here some time ago. The former teacher who has returned to us is Mrs. Guadalupe, who will teach the fifth grade. The new teachers include Miss Laycock and Miss Givannoni (both second grades)--Miss Waterman (5th & 6th grades)--and Mrs. Perkel, (7th & 8th grades). One new teacher has been added to the staff because of the increase in the number of students this year. The others are replacing Mrs. Lignoll, Miss Nelson, Mrs. Sullivan, and Miss O'Rourke, whose absences will be felt keenly here.

In charge of Kindergarten this year will be Mrs. Duke, and Miss Lois Barry will again be present as Principal.

Miss Barry has announced that any new pupils who have not yet registered may do so on the morning of the 11th, on the day that the school opens for it's Fall term.

JEFFERSON UNION HIGH SCHOOL REOPENS:

Next Tuesday, September 11th, is the opening day for Jefferson Union High School. A record enrollment approaching eleven hundred is anticipated.

A general assembly at 8:23 will bring the students together for a welcome message, and for general instructions. Due to the large enrollment and the limited capacity of the auditorium, it will be necessary for freshmen boys to meet in the gymnasium during this first assembly.

Following the assembly, students will fill out registration cards in their home rooms. They will then follow their class programs, which will be given to them as they complete their registration cards.

A full school day will be held on the opening day, with classes ending at 3 P.M.

The maintenance crew has been working all summer, cleaning, repairing, and checking over the physical facilities. Everything is in readiness, according to N.A. Nelson, school engineer.

The growth of the school made it necessary to obtain some new additional furniture and equipment. It will also require the use of the dining room for study hall purposes. New lights have been installed and students will be pleased with the new brightness of the cafeteria.

"We are ready" says the district superintendent, Stanford Hannah. "We know there will be problems of adjustment, but they'll be taken care of and school will be fully underway the first day. There is no time wasted--so every student should register the first day of school."

Of interest to local students of Jefferson High, the following points have been listed:

Classes will start at 8:26 a.m. and close at 3:00 p.m. with half hour lunch

periods;

Bus routes and schedules will remain the same as last year unless changes seem advisable after the first day.

Books will be issued, lockers assigned, and work will start the first day. Don't start under a handicap by enrolling late.

The faculty is complete and includes three new members: Alfred Runnells (music)--George Hinkle (commercial dept.)--Joseph Ballarin (mathematics). Mr. Runnells comes to Jefferson from Santa Ana. Mr. Hinkle, a graduate of San Jose State, has been at Coalinga. Mr. Ballarin, a native of San Francisco, has been teaching in the San Joaquin Valley, and is a graduate of San Francisco State College.

In addition to these new men, Jefferson will welcome the return of Ernest Ribera, popular history teacher and track coach. Ribera was called back into service by the U.S. Marine Corps, but expected to be discharged August 31st.

Returning members of the faculty are: Miss Louise Baciocco (art and crafts)--Mr. Donnal Behm (General Science, mathematics, and algebra)--Mr. Victor Binsacca (mechanical drawing, general shop)--Miss Dorothy Crowe (chemistry, mathematics, and algebra)--Miss Marjorie Erickson (physical education)--Mr. Joseph Fulford (photography, general math and algebra 2)--Miss Elizabeth Hall (English, journalism)--Miss Hazel Henry (English)--Miss Elizabeth Jones (clothing, food)--Mr. Frank Kane (Latin, world History, American problems)--Mrs. Marion Kramer (English, remedial reading, special English)--Mr. Clarence Lair (General Science, Coach)--Mr. Joseph Lassegues (Auto Shop)--Mr. John Matthews (physical education)--Mr. McGrath (physical education)--Mrs. Harriette Meier (Social Studies, U.S. History, Ceramics)--Mr. Howard Miguel (Spanish)--Miss Beatrice Moldrup (algebra)--Mr. Durant Moseley (Art metal, radio shop, general shop, and stage crew)--Mrs. Mary Newswanger (physical education)--Mr. Michael Orlich (physical education)--Miss Virginia Parent (physical education)--Mr. Truman Pfeffer (woodshop, general shop)--Miss Bianca Ratto (English)--Mr. William Raynolds (U.S. History, Social Studies)--Mrs. Marjorie Reandean (Bookkeeping, Typing, Duplicating)--Mr. Thomas Redmond (English)--Mr. Llewellyn Reese (American problems, U.S. History)--Mr. Elman Rose (general mathematics, geometry)--Miss Barbara Schmidt (English)--Miss Eunice Seaton (chorus, public speaking, English, drama)--Miss Hildegard Soidel (German, Social Studies)--Mr. Charles Slinger (Machine shop, general shop)--Miss Dorothy Tully (English)--Mr. J. WHAT'S THE SCORE??? by Ron Wright

The Brisbane A.C.'s lost to Werder's 6 to 4 in their play-off games. The game was under protest because one of the players on the Werder's team wasn't signed up with the league. But, nevertheless, the game counted; and Brisbane was out of the playoffs. The A.C.'s had a win and average of 8 and 2, or .800.

Coach Joe McGrath called his Brisbane Terrers together for a little pre-season practice at the local Recreation Center recently. The practice consisted of calisthenics, passing, and wild-geese. On the casualty list because of the rough practice is George Babkirk, with a bad knee.

Some of the "Spark Plugs" of the Jeff Fresh-Soph teams will be localites Don Delben, Wally Woodard, Darrell Chapman, Lawrence Conway, and Vincent Reece.

That's all for now--see you later.

RON WRIGHT.

LARKS HAVE BAD SPELL:

The Brisbane Larks lost a recent game 7 to 3---Jim McKennon pitched a very good game, but there were a few costly errors which lost us the game.

The Larks has lost one good player in Mansell Roland, who recently joined the Airforces. But we have added another good player in the person of "Rich" Trantham.

The rooting section is getting better, but we still need more support behind our local players. Check the S.F. Examiner or Chronicle for time of games under "Larks at Funston Park night-league".

Later, the Larks made it 3 wins in a row by defeating the S.F.N.S. team 2 to 4.

Walt Pipko pitched his usual control game, with the power at the plate being supplied by Center-fielder John Brodel, who hit a home-run with two men in, to break up the game.---THE LARKS.

LOS ANGELES PEOPLE TO MAKE HOME HERE:

Mr. and Mrs. L.W. Holmberg of Los Angeles will arrive in Brisbane sometime this week to make their permanent home at 329 Broadway--recently vacated by Mr. and Mrs. Fred Radoff. The Radoffs are returning to their former home in Georgetown, California.

The Holmbergs are the parents of Mrs. Byron Jensen, of 262 King's Road, and are being eagerly awaited by grandchildren, Peter and Penny Jensen.

THIS WEEK'S PUZZLES: (1) "If a cat and a half kills a rat and a half in a minute and a half, how long will it take 50 cats to kill 50 rats?"--(2) What words of three letters can be spelled with two letters and spoken with one letter?

(Answers next week.)

THE YOUNGER SET--by Bobbie Bobby-soxer.

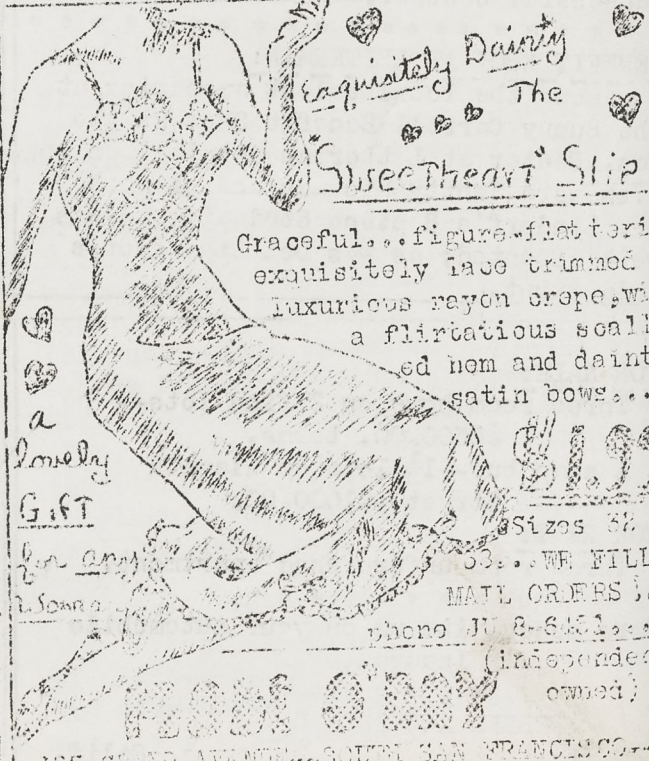

The teen-age crowd is made up of a lot of mixed emotions lately. The reason?--SCHOOL!! Yes,--dear old Jeff is opening up it's pearly gates next week. The happy kids in town, to name a few--are: Sherry Lawrence, Judy Woodard, Alfreda Pistochi, Scotty Hickman, and Rich Trantham--these lucky ones will be high and mighty SENIORS this year. Among the frightened ones (although they won't admit it) are Wally Woodard, Vincent Reece, Billy Storck, Shirley McCollum, Larry Conway, Vera Scott, and Ron Rodriguez. Please, you high and mighty Seniors--have pity on these lowly FRESHMEN! A bit of advice to the lowly Fresh--from one who knows!--WATCH YOUR CLOTHES--or you'll find them tied in knots. And when you are told to TAKE AN ELEVATOR the one in the gym is the fastest! HAPPY HOMEWORK, you lucky students!

---BOBBIE BOBBY-SOXER.

NAZARENE GROUP TO HOLD MEETING:

The regular montly meeting of the Women's Foreign Missionary Society of the Nazarene Church will be held Thursday, September 13, from 10 to 12 a.m. at the church. This meeting ends the study of Palestine, and a new study book will be begun at the October meeting. Ladies of Brisbane are cordially invited to attend these Missionary meetings.

IN REGARDS OUR CONTINUED STORY "RUSTIC COURAGE" by Elizabeth Alice Theis--we have run out of space this week, due to the fact that there was no Byline last week---so kindly accept our apologies and watch for PART FIVE next week.
